He graduated from Sutter High School and attended medical school in San Francisco. The college was destroyed by the 1906 earthquake. He went to Chicago to attend Northwestern University Medical School, graduating in June, 1909.

He moved to Heber City, Utah, in November, 1909, and married Lacy Turner September 21, 1910.

In 1918 he enlisted in the Army Medical Corps. Trained at Yale University as a bacteriologist, he was at Camp Crane, Allentown, Pa., and later at an overseas camp when the flu epidemic hit the eastern United

States. Several doctors were sent to Phoenixville, Pa., to assist there. He contracted the flu and was not expected to recover. Lacy was called to Phoenixville. The armistice was signed while he was very ill. On December 21, 1918, he was given a medical discharge and returned to Heber City.

In 1925 he bought the Mark Jeff home and established the Heber Hospital. His brother, Dr. T. A. Dannenberg, moved to Heber City in 1927 and bought an interest in the hospital.

Bert was a member of the Wasatch County School Board. He was the first president of the Heber Lions Club, also the first president of the Escondido Lions Club.
